Summary:

I have recently completed my Bachelor of Business Administration (BBA) in Finance from Ahsanullah University of Science and Technology (AUST), followed by an academic internship at the Investment Corporation of Bangladesh (ICB). I am now seeking a responsible and honorable professional role where I can contribute with integrity and dedication. My upbringing, environment, academic training, and personal values have all shaped who I am, and I strive to reflect these influences through every aspect of my work. I believe this foundation defines me as a diligent, purpose-driven individual committed to meaningful and ethical contributions in my professional journey.

Academic Project:

"AI-Powered Credit Risk Assessment in Capital Market Instruments: Implications for ICB"

Professional skills:

- Skilled in using Microsoft Office applications, including Word, Excel, and PowerPoint.
- Strong analytical mindset with effective problem-solving capabilities.
- Excellent verbal and written communication skills with strong interpersonal abilities.
- Well-versed in core marketing principles and strategic approaches.
- Proven ability to collaborate efficiently within team environments.
- Fundamental knowledge of AI-powered tools and generative AI for boosting productivity and informed decision-making.

Work Experience:

Intern – (Investment Corporation of Bangladesh)

Dhaka, Bangladesh | August 2025 – October 2025

- Assisted in financial analysis and investment portfolio evaluation.
- Gained hands-on experience in corporate finance and capital market operations.

Private Tutor

Dhaka, Bangladesh | January 2023 – Present
