Career Objective

Dedicated, organized, and detail-oriented professional with a strong academic foundation in education and hands-on experience in research coordination, project administration, and documentation within the development and education sectors. I aim to serve as an Administrative Officer under the *HEAT Project* at Green University of Bangladesh, where I can apply my skills in administrative management, communication, and institutional support to ensure smooth and effective project operations, and timely implementation of academic and administrative activities. Passionate about contributing to educational excellence through efficient coordination, teamwork, and a commitment to organizational growth and integrity.
