

MD. SALMAN AHMED

Address : Namapara, Khilkhet, Dhaka

Contact Info : +8801908-863806 |salmanahmed.eee2018@gmail.com

SUMMARY

Dynamic and results-driven Senior Engineer & Administrator with extensive experience in LPG Auto Gas business, business development, sales & marketing, reticulation systems, auto gas machineries, renewable energy solutions, CCTV, and electrical systems. Proficient in project planning, execution, and team leadership, with a proven track record of delivering complex engineering projects on time and within budget. Expertise in vendor management, procurement, and administrative operations, blending technical knowledge with strategic decision-making. Recognized for streamlining processes, improving operational efficiency, and driving business growth while maintaining the highest quality and safety standards.

PROFESSIONAL EXPERIENCE

DES ENGINEERING & SERVICES |SENIOR ENGINEER & ADMINISTRATOR

DEPARTMENT: Sales & Operation/Business Development/Administration

October 2024 – Running

Khilkhet, Dhaka.

- Sales & Supervise the planning, design, and implementation of engineering projects, including ***LPG Auto Gas Machineries**, ***LPG Reticulation**, *** Solar Power System**, *** CCTV & UPS/IPS & Generator System**.
- **LPG Auto Gas machineries & Spare parts Sales and Service**, Coordinate with Service Engineer to generate new clients.
- Prepare detailed site reports, work progress update, and cost report for management review.
- Oversee all day-to-day administrative operations of the office, ensuring smooth workflow.
- Monitor employee attendance, leave & time management records.
- Implement company policies and provide administrative decisions for operational efficiency.
- Coordinate and manage the work of the engineering and technical team to ensure timely and efficient project delivery.
- Oversee **CCTV & Surveillance Project** and design CCTV coverage areas, position cameras strategically, and configure DVR systems for full surveillance setup.

Key achievements:

- Successfully completed multiple **LPG Auto Gas Machineries Sales & Residential LPG Reticulation system projects** ensuring safety and compliance.
- Successfully installed and commissioned multiple **Solar Power Systems** (residential & commercial) with complete wiring, connection diagram, and load calculation.
- Delivered several **IPS/UPS installations**, ensuring smooth backup solutions for residential and office clients.
- Delivered several CCTV projects with successful planning, installation, and DVR/NVR configuration.
- Successfully completed multiply Solar Panel System project with end-to-end responsibility from including drawing connection diagram & setup.
- Reduced administrative processing time by implementing a **digital attendance and leave tracking system**.

PACIFIC BLUE LTD(AL-MUSLIM GROUP) | ASSISTANT OFFICER- Trims & Accessories Store January 2024 – September 2024

Radio Colony, Saver, Dhaka.

- Maintained accurate inventory records and ensured timely supply of accessories to the production line.
- Monitored stock levels, managed goods movement, and minimized delays in production.
- Improved warehouse efficiency by organizing storage and tracking systems.
- Coordinated with AGM/DGM for smooth store operations and efficient material flow.

Govt. HER POWER PROJECT | TRAINING & DEVELOPMENT COORDINATOR – Website & E-Commerce

June 2023 – December 2023 Kapasia, Gazipur, Dhaka.

- Conducted IT skill-gap analysis for project participants and designed customized training modules.
- Delivered organization-wide capacity building sessions on digital literacy and system security.
- Applied engaging teaching methods to ensure active participation and practical skill development.
- Contributed to women empowerment and digital inclusion through technical training initiatives.

TRAINING

Supply Chain & Logistics Management (SCM)

Modern Practices on Supply Chain & Logistics Management (SCM)

Bd-jobs-E-learning

- Learned supply chain planning & demand forecasting techniques
- Gained knowledge on procurement & supplier relationship management
- Developed skills in inventory control & warehouse management
- Understood logistics operations & distribution strategies
- Explored modern supply chain tools and best practices

Training Institute for Chemical Industries (TICI)

- This industrial training focused on several electrical systems, such as, **Electrical Power Transmission**| **Industrial Safety** | **Engineering materials** | **Measurements** | **Boiler** | **Compressor** | **Pumps**.

Inventory & Warehousing Management | Bd-jobs-E-learning

07 June 2024 - 10 June 2024

- Track stock accurately; maintain reorder points and safety stock
- Follow FIFO/LIFO/FEFO methods
- Generate analytics reports for management

EDUCATION

B. Sc. in Electrical & Electronic Engineering (2023)

*National Institute of Textile Engineering & Research, Technology Unit, Dhaka University***CGPA: 2.66** (Out of 4.00)

HSC (2017)

Noapara Govt. Degree College, Noapara, Abhaynagar, Jashore.

GPA: 4.39

SSC (2015)

Rajghat Jafarpur Govt. High School, Abhaynagar, Jashore.

GPA: 4.17

THESIS

Implementation of IoT on Smart Grid Modernization

Study on Solar System Development.

PROJECTS

Automated Fire and Gas Safety

Presented to: Department (2020)

Group Member: 02

Hydroelectricity system (Achieved 3rd Place)

Presented to: Department, Group Member: 03

EXTRA CURRICULUM ACTIVITIES

- ICT Instructor at ACED School, Savar, Dhaka** (2022-2023)
- Embedded System Engineer at Zero One BD LTD. | Mirpur-02,Dhaka** (2021-2022)
- Electrical Club | NITER** (2018-2019)

CORE SKILLS & EXPERTISE

- Office & Administrative Management
- Client & Vendor Relationship Management
- Project Supervision & Team Leadership
- Electrical Design, Safety Compliance
- Vendor Negotiation
- Quality Assurance
- LPG Auto Gas Machineries & Spare Parts sale.
- Sourcing & Purchasing (CCTV, IoT, IT & Electrical Products)
- Industrial LPG Reticulation Systems
- Renewable Energy (Solar Power Systems)
- Energy Audit
- Procurement Management

TECHNICAL SKILLS

- Mat Lab
- Code Blocks
- AutoCAD
- Simulink
- Adobe Photoshop
- Microsoft Office (Word, PowerPoint, Excel)

INTERPERSONAL SKILLS

Team work | Project Management | Problem Solving | Leadership | Communication | Work Under Pressure |Team Leadership | Client Coordination | Cost Management | Office Administration

LANGUAGE SKILL

English | Level: Medium(Speaking) Advance(Writing)

Bengali | Native
