CAREER OBJECTIVE

To obtain a position as Officer, Inbound, Voice & Virtual at Standard Chartered Bank where I can leverage my strong communication, organizational, and analytical skills to provide exceptional customer service, ensure accurate information handling, and contribute to the efficiency of the customer experience team.

PROFESSIONAL EXPERIENCE

Junior Consultant (Research) | Bangladesh National Herbarium, Ministry of Environment, Forest and Climate Change

May 2022 – Present

- Manage and organize project data and documentation to ensure accuracy and timely completion.
- Communicate with internal teams and external stakeholders to ensure smooth coordination of tasks.
- Handle information input and database management with attention to detail and confidentiality.
- Support senior staff with report preparation, digital data entry, and administrative communication.
- Develop teamwork and leadership skills while assisting in project delivery and stakeholder communication.

Field Coordinator | Health, Nutrition and Population Programme – BRAC

Aug 2020 – Nov 2020

- Provided frontline communication support and coordinated with local authorities and field teams.
- Supervised information collection and maintained accurate reporting for management review.
- Handled multiple inquiries and ensured timely responses to internal and external stakeholders.
- Enhanced interpersonal communication and multitasking skills through daily client-facing operations.

Plant Collector & Data Processor | Bangladesh National Herbarium

Jul 2016 – Jun 2018

- Maintained and processed large volumes of data and records with high attention to detail.
- Supported communication between project members, ensuring effective task completion.
- Prepared digital records and reports for documentation and review.
- Strengthened data entry accuracy and teamwork within a multidisciplinary environment.
