CAREER OBJECTIVE

To leverage my leadership, organizational, and problem-solving skills in a progressive organization. I aim to contribute to its success by ensuring operational excellence, effective teamwork and continuous improvement.

CAREER SUMMARY

With over 26 years of distinguished service in the Bangladesh Army and Rapid Action Battalion (RAB), along with proven experience in administrative and management roles within the civilian sector, I bring exceptional leadership, communication, and team management expertise. I am skilled in office administration, HR operations, and project coordination, I have a strong background in crisis resolution, operational command, and organizational development. My career reflects a consistent record of efficiency, integrity, and excellence in both military and corporate environments.
