PROFESSIONAL EXPERIENCE

ASSISTANT ENGINEER,PLAN VIEW CONSULTANT AND ARCHITECTS.

May,2025-Oct,2025

Actively engaged in engineering and architectural consultancy, contributing to structural design and project planning.Utilize advanced software tools (AutoCAD, ETabs, Revit) to develop and analyze structural models.Apply critical thinking and process improvement skills to enhance project efficiency.

EDUCATION

MASTERS OF SCIENCE IN CIVIL AND STRUCTURAL ENGINEERING

MILITARY INSTITUTE OF SCIENCE AND TECHNOLOGY

ONGOING|2025-NOW

**BACHELOR OF SCIENCE IN BUILDING ENGINEERING & CONSTRUCTION
MANAGEMENT (BECM - Equivalent CIVIL)**

Rajshahi University of Engineering & Technology (RUET)

CGPA: 3.50 out of 4.00 | Graduation: 2024

HIGHER SECONDARY CERTIFICATE (HSC)

Govt. Michael Madhusudan College

GPA: 5.00 out of 5.00 | 2018

SECONDARY SCHOOL CERTIFICATE (SSC)

Jessore Govt. Girls High School

GPA: 5.00 out of 5.00 | 2016

ACADEMIC RESEARCH & PUBLICATION

THESIS WORK: Evaluation of the mechanical properties of ECC through experimental research involves altering the fiber length. Conducted rigorous experimental research on Engineered Cementitious Composite (ECC) concrete. Resulted in the published conference paper, "Exploring Fiber Length Effects on Engineered Cementitious Composite Concrete Mechanical Attributes," presented at the ICACE-CUET CONFERENCE (Paper Id: 420).

Investigated the mechanical attributes of ECC by systematically altering fiber lengths. Resulted in the published conference paper, "Exploring Fiber Length Effects on Engineered Cementitious Composite Concrete Mechanical Attributes," presented at the ICACE-CUET CONFERENCE (Paper Id: 420).

INTERNSHIP

CONSTRUCTION VISION (Multi-disciplinary Engineering Firm)

March 2023 – April 2023 (1 Month)

Gained practical, on-site experience in building design and construction processes. Observed and assisted in construction management activities, strengthening organizational skills and time management. Completed the internship successfully, achieving a performance certificate.

KEY SKILLS

ENGINEERING SOFTWARE & TOOLS: AutoCAD, E Tabs, Revit, Sketch Up, Enscape, Lumion, MS Office (Word, Excel) CORE ENGINEERING EXPERTISE: Structural Design, Project Management, Interior Design, Construction Supervision, Cost-Benefit Analysis, Process Improvement, Data-Driven Planning

SOFT SKILLS & COMPETENCIES: Critical Thinking, Excellent Communication Skills, Presentation Competency, Research Expertise, Organizational Skills, Time Management, Ethical Decision-Making.
