CAREER OBJECTIVE

As a motivated professional with a background in History and Archaeology, I seek to apply my research, communication, and program management skills to plan and manage development projects. My goal is to create sustainable social impact, improve community well-being, and support organizational success.

WORK EXPERIENCE

Evaluation and Consulting Services Ltd

15 February 2023 to present

Designation: Program Officer

- Contributed to **USAID Esho Shikhi Project** by collecting data from G2 students, conducting teacher interviews, and supporting multi-district study implementation.
- Supported **Kapasias Health Project** by identifying pregnant mothers, addressing health concerns, organizing courtyard meetings, and following up via phone calls.
- Assisted in CBT Project by identifying economically dependent individuals and facilitating financial assistance through mobile banking.
- Planned and implemented various other development initiatives, coordinated activities, liaised with stakeholders, conducted research and field visits, supported M&E, **facilitated trainings and workshops**, and ensured compliance with organizational policies.

VOLUNTARY SKILL

❖ **Bahnishikha - Rangpur Division**
Co-ordinator

(15 June 2020 to present)

I have arranged “Self Defence Techniques and Confidence Development Training” in Rangpur which around 300 female students participated. In addition, a seminar was organized to raise awareness about **women's reproductive health** in which 200 female students participated.

❖ **Green Voice | Begum Rokeya University, Rangpur**

Vice-president

(April 2022 to April 2023)

As part of Green Voice, I organized and participated in events such as the “**River Festival-2023**,” where I **presented the program** and acted as a judge in the singing competition. I also took part in **tree plantation** drives and various environmental activities. In addition to these, I actively represented the organization in public events and contributed to awareness initiatives on **environmental protection, river conservation, and climate change**.

❖ **Begum Rokeya University Debate Forum**

Event Editor

(April, 2019 to April, 2020)

Participated in debates as a member of the Begum Rokeya University Debate Forum. Additionally, organized **inter-departmental debate programs and seminars** at the university.

❖ **Badhon, BRUR**

Executive Member

(April, 2018 to April, 2020)

Tried to increase awareness about **free blood donation**. Donated blood myself and encouraged others to donate blood. Also got free blood group diagnosis.
