Subject: Application for the Position of Administrative Officer.

Dear Sir,

I am writing to express my sincere interest in the position of **Administrative Officer** at Green University of Bangladesh. With strong academic qualifications, proven leadership experience, and a diverse professional background, I believe I am well-prepared to contribute effectively to your administrative team.

I have completed both BA and MA in **Bangla** from **Jahangirnagar University**. During my academic years, I served as **Class Representative** and **Sports Secretary**, which helped me develop essential skills in communication, coordination, event management, and team leadership. These roles nurtured my problem-solving abilities and strengthened my sense of responsibility-qualities central to any administrative position.

I was the elected Executive Member in Jahangirnagar University Press Club. I have four years of experience in **journalism**, working as a campus representative in an online news portal, which helped me build confidence in communication, reporting, documentation, and public relations. Later, I worked as a **Lecturer** at Mohammadpur Kendreya College (19 August 2024 to 18 September 2025), where I gained valuable experience in academic management, student handling, and departmental coordination. Currently, I am working as a **Trainee Territory Sales Manager** at **Akij Venture Group**, where I am continuously developing my skills in planning, teamwork, target management, and field communication.

My professional experiences across academic, media and corporate sectors have equipped me with strong administrative capabilities, time management skills, and the ability to work under pressure with integrity and dedication. I am confident that these qualities make me a suitable candidate for the position of Administrative Officer at your esteemed university.

I would be grateful for an opportunity to discuss how my skills and experiences align with Green University's goals. I look forward to the possibility of contributing to your institution with honesty, commitment, and professionalism.

Sincerely,
Md. Ariful Islam Shakil
