PROFILE SUMMARY

- Over 3 years of hands-on experience in GIS and Surveying.
- Specialized in spatial data collection, map creation, and geospatial analysis using ArcGIS, QGIS, and KoBo Collect.
- Extensive field experience supporting national health, disaster management, and development projects.
- Contributed to high-impact programs, including Mass Dog Vaccination (FAO & WHO), COVID-19 Risk Zone Mapping, and National Malaria Village Mapping.
- Proficient in aerial survey techniques, RTK data collection, and land-use analysis for infrastructure planning.
- Strong academic foundation in Geography, Environment, and Urban & Regional Planning from the University of Dhaka.
- Effective communicator and team player with a proven track record of delivering accurate geospatial data for evidence-based decision-making.

EXPERIENCE

GIS Analyst & Surveyor | GroupMappers

2020 – 2024 | Dhaka, Bangladesh

A geospatial services organization affiliated with Mahidol Oxford Tropical Research Unit (MORU).

Key Projects & Responsibilities:

- **Mass Dog Vaccination (MDV) Program (March 2021 – Nov 2023)**
Collaborated with FAO & WHO to support national rabies reduction efforts.
 - Trained field surveyors on KoBo Collect for accurate data collection.
 - Led data management, map creation, and geospatial analysis.
- **COVID-19 Risk Zone Mapping (July 2020 – Sept/Oct 2021)**
Supported national COVID-19 response under a2i, ICT Division.
 - Collected geospatial data using Google My Maps & ArcGIS.
 - Produced risk zone maps to assist health authorities in targeted response.
- **iTPA Village Mapping (Jan 2022 – April 2022)**
Assisted National Malaria Program in mapping Lama Upazila, Bandarban.
 - Conducted detailed field surveys.
 - Created accurate village-level maps for malaria control initiatives.

GIS Analyst & Surveyor | Shahin Geospatial Services

2020 – 2024 | Dhaka, Bangladesh

Provider of professional surveying and mapping services.

Key Projects & Responsibilities:

- **Aerial Survey for Bus Stand & Truck Terminal, Keraniganj (Sept – Oct 2020)**
 - Collected land use data and conducted high-precision RTK surveys.
 - Contributed to geospatial analysis for transport infrastructure planning.

EDUCATION

M.S. in Urban & Regional Planning & Development

University of Dhaka | CGPA: 3.02 | Session: 2023-24

B.S. (Hons) in Geography & Environment

University of Dhaka | CGPA: 3.12 | Session: 2018-19

HSC (Business Studies)

Bir Shrestha Munshi Abdur Rouf Public College, Dhaka | GPA: 4.50 | Year: 2018

SSC (Science)

Government Laboratory High School, Dhaka | GPA: 4.39 | Year: 2016

ACADEMIC RESEARCH

- **“Socio-Economic Analysis of Hotel Boys”** – Dhupadughi, Sylhet (2019)
- **“Impacts of COVID-19 on Human Life”** – Bishnandi, Narayanganj (2021)
- **“The Physiographic and Hydrological Characteristics of Kaptai Lake”** – Rangamati (2022).
- **“Examining Land-use Dynamics and Socioeconomic Transformations”** – Lalua, Patuakhali (2023)
- **“Impact of Padma Bridge on Local Communities and Economic Development”** – Munshiganj (2025)

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- Organizer, National Earth Olympiad – Environmental Club, Dept. of Geography and Environment, University of Dhaka (2022)
- Volunteer, National Earth Olympiad – Environmental Club, Dept. of Geography and Environment, University of Dhaka (2019)
- Volunteer, Coastal Research Unit (CRU) – Dept. of Geography and Environment, University of Dhaka (2021–2022)
- **2nd Runner-up**, Poster Presentation on World Environment Day 2022
Theme: “Only One Earth: Living Sustainably in Harmony with Nature” – Organized by Dept. of Geography and Environment, University of Dhaka
- **1st Place**, 8th Inter School Quiz Competition – Govt. Laboratory High School
- **Scout Volunteer Activities:**
 - Participated in Caab Holiday (2009 & 2010)
 - Attended 13th Regional Scout Rally (2012)
 - Participated in Power Camp (2014)
 - **Awarded Best Scout**, Govt. Laboratory High School Scout Unit (2016)

CERTIFICATIONS & WORKSHOPS

- ✓ Fundamentals of Digital Marketing | Google Digital Garage
- ✓ Career Pathways in GIS | GroupMappers (2020)
