The Hiring Manager

HEAT Project, Green University of Bangladesh

Subject: Application for the position of Administrative Officer (HEAT Project)

Dear Sir/Madam,

I am writing to express my keen interest in the position of Administrative Officer under the HEAT Project at Green University of Bangladesh. Working in a university environment has always been my dream, and I am particularly interested in contributing through an administrative role that aligns with my skills and professional experience. With a Bachelor's degree in Computer Science and Engineering from Daffodil International University and over two years of experience in customer service and administrative coordination, I believe I can add meaningful value to your team.

In my current role as a Customer Service Officer at IECC Bangladesh, I manage client communications, maintain organized records, and ensure smooth operational support for project activities. Previously, as a Customer Relationship Officer at Techbond IT Ltd, I coordinated between departments, handled client databases, and supported administrative tasks efficiently. These experiences have enhanced my communication, documentation, and multitasking skills—qualities that I am eager to apply in a dynamic university setting.

I am deeply motivated by the HEAT Project's goal of fostering higher education excellence and would be honored to contribute to its success through dedicated administrative support. I have attached my CV for your kind consideration and would greatly appreciate the opportunity to discuss how my skills and enthusiasm align with this position.

Thank you for your time and consideration.

Yours faithfully,

Razowan Ahmed
