

Humayra Rahman

Aspiring NLP / Data Analytics Professional

anika94humayra@gmail.com

+8801746507051

Aftabnagar F block,
Road 01, House 01,
Rampura, Dhaka-

CORE SKILLS

- **Natural Language Processing (NLP):**
Text preprocessing, tokenization, POS tagging, sentiment analysis, word embeddings
- **Data Analysis & Research:**
Python, Pandas, NumPy, Excel, data cleaning, data visualization
- **Machine Learning Basics:**
Scikit-learn, model evaluation, classification tasks
- **Database Management & Data Validation**
- **Team Collaboration & Communication**
- **MS Office Suite:** Word, Excel, PowerPoint

PROFESSIONAL SUMMARY

Detail-oriented and highly motivated professional with extensive experience in data handling, analysis, and administrative management, now transitioning into the field of Natural Language Processing (NLP) and data analytics. Proficient in organizing, cleaning, and processing both structured and unstructured datasets to extract meaningful insights. Hands-on experience with Python, NLP libraries (such as NLTK, spacy, and Transformers), and data visualization tools to transform raw data into actionable information. Skilled in research, reporting, and leveraging data-driven approaches to solve real-world problems. Adept at collaborating across teams, coordinating projects, and managing workflows to ensure efficient data analysis and delivery. Passionate about applying NLP techniques to improve understanding, automation, and decision-making processes in business and research environments. Continuously learning and adapting to emerging technologies, with a strong commitment to using data to drive meaningful impact

EDUCATION

Govt Teacher's Training
College, Dhaka

Bachelor of Education:
Education and Research

GPA: 3.48

Progati Group – Admin & HR Officer
July 2022 - Present

- Manage all personnel records, maintaining both physical and digital files with strict confidentiality and accuracy.
- Oversee HR databases, updating and organizing new hire data, and ensuring seamless integration with company records.
- Coordinate end-to-end recruitment activities, including scheduling interviews, managing candidate communications, and facilitating onboarding processes.
- Address employee inquiries regarding benefits, such as leave policies, providing clear and supportive responses.
- Assist in implementing HR policies and procedures to enhance operational efficiency and regulatory compliance.
- Collaborate with cross-functional teams to organize and execute employee engagement activities and training sessions, fostering a positive workplace culture.

Kurigram Govt Women's college
Dhaka • 2013
Higher Secondary Certificate(H.S.C.)
GPA: 5.00

Kurigram Govt Girls High School
Dhaka • 2011
Secondary School Certificate (S.S.C.)
GPA: 5.00

Celltron Electro Manufacturing Company Ltd. – Research Analyst

November 2021 - June 2022

- Conducted data review to ensure accuracy and reliability.
- Supported data clarification and resolution of issues in data collection processes.

ShopUp Bangladesh – Category Executive

April 2021 - October 2021

- Developed demand forecasts to maintain inventory sustainability.
- Coordinated with procurement to align product availability with market demand.

NLP / Data Projects

- Text classification using Python and NLTK on sample datasets.
- Sentiment analysis of customer reviews to extract insights.
- Data cleaning and preprocessing for unstructured text.
- Explored word embeddings and document similarity with Gensim.

Technical Tools

- Programming: Python, SQL
- Libraries: NLTK, spaCy, Scikit-learn, Pandas, NumPy
- Tools: Jupyter Notebook, Google Colab, MS Office
